Renowned for the golden beaches that encompass the island, Sri Lanka has long attracted tourists seeking sand, sun-bathing, swimming, water sports, deep sea fishing and diving. Quaint coastal hamlets have expanded to welcome tourists staying in homely guesthouses, mainstream hotels or luxury boutique villas by the sea. Fringed by palm trees, with soft sand and azure waters, these beaches make an ideal holiday location beside the Indian Ocean. Thriving tourist hotspots, like the beaches of Negombo near the airport and to the South of Colombo, Mount Lavinia, Bentota, Galle, Unawatuna and Mirissa, and in the East Trincomalee, Passikudah and Arugam Bay, are great destinations for our tailor-made tours, or for any type of getaway, with budget-friendly to top-notch luxury accommodation, and they boast many restaurants, bars and fun activities too.
